January 03, 2026

It's a new year and, after 6 months away, R.A.W Media is back on Blogger!!!

We've switched our format (focusing more on classic Rap/Hip-Hop and Pro Wrestling, profiles and interviews) and what a better way to kick things off than with a special edition of 'The R.A.W Report' taking it back to the year 1994!!!

A year that saw New York regain its prominence within the Rap/Hip-Hop landscape and the Pro Wrestling industry being shaken up by Ted Turner's WCW and a little group from Philadelphia called ECW!!!

So ladies and gentlemen let's look at some of the releases, and events, that made 1994 such a great year in the worlds of Rap and Wrestling -

RAP

- Nas - Illmatic

- The Notorious B.I.G - Ready To Die

- Craig Mack - Project: Funk Da World

- Common - Resurrection
